I guess coming from the West wasn't an issue. Anyway, Jon is currently scheduled to arrive BOS around 1:37pm, about a half hour later than originally planned. That's the story as of now. Will keep you posted!

Hi there. Not sure if John's flight is going to be affected but, Garcia's is 36 mins late right now. Estimated arrival time to BOS is now 1:35pm. As long as things don't get worse, I imagine we can move forward with the original plan, maybe just skipping the "iced tea" ♦

I'll keep y'all posted. Please do the same. Thanks!
